Enrolling Your Child

- In effort to follow all public health rules and regulations, as well as to keep all campers and staff safe, we are requiring children be signed up for one week at a time. We are trying to keep the same children together in hopes to decrease risk.
- Camp hours will be reduced by one hour in order to give our staff the time to thoroughly clean and disinfect. We will provide care from **8:00am-5:00pm**.
- Please make sure all your emergency information is updated in Epack. If you need assistance, please let us know.

Check-In and Pick-Up: ONLY STAFF AND CHILDREN will be allowed in the building.

Drop-off:

- Drop-off will occur from 8:00am-9:00am ONLY.
- Parents will drop campers off at the back gate of the elementary school. The gate is located on Maroon Creek Rd. by the AES playground.
- Upon arrival, parents will call camp phone 970-429-3676, please wait with your child in your car until you are greeted by a camp counselor.
- Parents/guardians will verbally sign-in their children using their unique code. Codes will be given to families before the first day of camp.
- Once the counselor greets parents and campers, they will do visual inspection of the child for signs of illness, which could include flushed cheeks, rapid breathing or difficulty breathing (without recent physical activity), fatigue, or extreme fussiness. Parents will be asked if the child has shown any signs of illness or been exposed to those with illness.
- Temperature will be taken using a non-contact thermometer and recorded on the health assessment log that is kept in a file on site.
- Persons who have a fever of 100.40 (38.00C) or above or other signs of illness such as excessive cough, sore throat, or shortness of breath will not be admitted to the facility. We are encouraging parents and staff to be on the alert for signs of illness in children that are enrolled and please keep your child home when they are sick.
- Once children and staff have entered the facility, they will perform hand hygiene: Hand washing will be with soap and water for 20 seconds.
- **All children MUST be dropped off by 9:00am. This is to help ensure that all safety protocol is adhered to.**
